VII. ORGANIZATION

iv. XII. NOTES

i. Comments

It is highly probable that the names of the γυμ[νασιάρχης], *gym[nasiarches]*, and of the νεανισκάρχης, *neaniskarches*, were preceded by those of other association officials. Best analogy seems to be CIRB 103 ([CAPIInv. 1296](#)), the only association record from Pantikapaion where both a γυμνασιάρχης, *gymnasiarches*, and a νεανισκάρχης, *neaniskarches*, are attested in the staff of an association. Therefore, we suggest restoring:

(For the construction in the genitive, τῶν [λοιπῶν συνοδειτῶν], *ton [loipon synodeiton]*, see CIRB 97 and 98, Vinogradov, SEG).

Thus, our inscription could belong to the association described in [CAPIInv. 1296](#).
