iv. Honours/Other activities

Dedication to un unknown deity by an individual bearing a Roman name (Titos) and the therapeutai.

XII. NOTES

i. Comments The inscription is dated after the *grammateus*, something that point to a certain degree of internal organization.

XIII. EVALUATION

i. Private association	Probable
Note	The term <i>therapeutai</i> might simply stand for a group of worshippers. However, the dating of the inscription after the <i>grammateus</i> indicates some sort of internal structure in the group and thus a certain degree of durability.
