iv. Officials	Psentotoes may have been the secretary of this association. The abbreviation of γ( ), possibly for γραμματεύς *grammateus*, following his name at ll. 2, 8, 9, 11 seems to suggest this.

VIII. PROPERTY AND POSSESSIONS

iii. Income	Contributions are made in measures (and jars?) of wine by members for meetings and celebrations (?).

IX. MEMBERSHIP

Note	The recorded names are male names.

i. Comments	It is perhaps worth noting that Psentotoes (as secretary or not) is the most frequent contributor here.

XIII. EVALUATION

i. Private association	Certain
Note	The context and the evidence suggest that this is certainly a private association.
