-------------------------	-------------------------------------------------------------------------------------------------

VII. ORGANIZATION

ii. Leadership	likely a <i>meniarches</i> ; but not recorded here or lost
iv. Officials	Perhaps the Aurelius mentioned here, I.6, although it appears that the full name of the individual making the declaration was not filled in as a space was left blank.

XI. INTERACTION

i. Local interaction	Official interaction; association acting on behalf of the group representing them before the authorities.
----------------------	-----------------------------------------------------------------------------------------------------------

XII. NOTES

iii. Bibliography	Bagnall, R. S. (2000) 'Governmental roles in the economy of late antiquity', in E. Lo Cascio and D. Rathbone (eds.) <i>Production and Public Powers in Classical Antiquity</i> . Cambridge: 86-91 (esp. 89-90) Coles, R. Appendix II, P. Oxy. LIV: 230-32.
-------------------	---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

XIII. EVALUATION

i. Private association	Certain
Note	The associative terminology and the apparently necessary declaration suggests that this was an association; private here because, in spite of the nature of the declaration itself, there is nothing here to suggest that this group was other than voluntary (although state compulsion may be something else entirely).
