VII. ORGANIZATION

ii. Leadership

μηνιάρχης *meniarches*, l. 3: Aurelius Irenaeus son of Apelles

XI. INTERACTION

i. Local interaction

Official interaction; association was contracted to make a report on a persea tree near the site of a public works project underway (bath repair); report was submitted to the *logistes*.

XIII. EVALUATION

i. Private association

Certain

Note

The similarities in administration between this association and the others appearing in Oxyrhynchus (with specific reference to a monthly president) suggests that this was a private association.
