ISSN 2446-2500

IX. MEMBERSHIP

iv. Status	Given the position of Bianor as highpriest of the imperial cult and the use of the term *phamilia*, this group was almost certainly composed of gladiators (cf. Carter 2004: 41-68).

XII. NOTES

iii. Bibliography	Carter, M. (2004), 'Archiereis and Asiarchs: A Gladiatorial Perspective', *GRBS* 44: 41-68. Robert, L. (1971), *Les gladiateurs dans l'Orient grec*. Amsterdam.

XIII. EVALUATION

i. Private association	Possible
Note	The single surviving attestation of this *phamilia* does not provide any precise detail about the nature of the group. It is impossible to know whether they form a stable association or whether they had a private character. As a result, its evaluation should only remain possible.
