XIII. EVALUATION

i. Private association	Possible
Note	It is unclear whether or not <i>thiasos</i> , a word hardly ever used in Phrygia, means association here (perhaps the imperial family has its <i>thiasos</i> like Dionysos has his?). If it does, one may assign to it a role in the imperial cult, as does Ritti 1983: 180. Such an association could be private or public; there is no way to decide.
ii. Historical authenticity	Certain
