## XII. NOTES iii. Bibliography Ustinova, Y. (1999), The Supreme Gods of the Bosporan Kingdom. Celestial Aphrodite and the Most High God. Leiden, Boston, Cologne: 198 (maintains that there was an association).

i. Private association	Possible
Note	The only argument for postulating an association would be the restoration of II. 6-7: o[ί λοιποὶ $\sigma$ υ] $\nu$ [οδεῖται], ho[i loipoi sy] $n$ [odeitai]. This seems to be rather speculative. No other association is known in Kimmerikon.
