----------------------	--

## XII. NOTES

i. Comments	<p>3743r: declaration of white linens; editor suggests that these are not raw materials but finished items, indicating retail trade or a service industry and referring to finished articles of linen.</p> <p>The men who are apparently the officials of the association appear to be the same men in both declarations 3743 and 3752.</p>
iii. Bibliography	<p>Youtie, H. C. (1976) 'P. Mich. Inv. 337: λευκαντήρ', <i>ZPE</i> 22 63-68.</p> <p>Bagnall, R. S. (2000) 'Governmental roles in the economy of late antiquity', in E. ## XIII. EVALUATION

i. Private association	<p>Certain</p> <p><b>Note</b></p> <p>The associative terminology and the apparently necessary declaration suggests that this was an association; private here because, in spite of the nature of the declaration itself, there is nothing here to suggest that this group was other than voluntary (although state compulsion may be something else entirely).</p>
