XII. NOTES

i. Comments	Payment made to the <i>grapheion</i> for the preparation of a charter of a <i>synodos</i> of Psosneus the oil maker (<i>elaiourgos</i>); payment is in kind: 4 kotylai of oil. It is possible that the <i>synodos</i> was an association of <i>elaiourgoi</i> . Psosneus was likely the leader of the association.

XIII. EVALUATION

i. Private association	Certain
Note	The context alone, along with the fact that the creation of the charter is being dealt with privately (by all accounts) by an individual who is a member of the association (perhaps the leading official?) suggests that this is a private association.
