## VII. ORGANIZATION

iv. Officials	The dedication was set up by οἱ πρεσβύτεροι <i>hoi presbyteroi</i> (l. 4), whose names follow the body of the text: the term should indicate the officials of the group. The group also had a ἱερεὺς, <i>hiereus</i> (l. 5): his name was Amenneus. I.Alex. Ptol. 24, on the other hand, maintains that the <i>hiereus</i> was the <i>hiereus</i> of Anubis and probably president of the association.

## VIII. PROPERTY AND POSSESSIONS

i. Treasury/Funds	The association probably had communal funds as they could pay for the setting up of the present dedication. Unless of course one should think that the officials of the association paid out of their own pockets.

## XIII. EVALUATION

i. Private association	Certain
Note	Although a specific term indicating 'association' is absent and a collective name ( <i>olyrokopoi</i> ) only is recorded, it seems certain that this was a private association on the basis of the internal organisation with officials and a priest.
