i.c. Physical format(s)	Marble block, broken in the right. H. 27.5 x W. 56 x Th. 39cm.

ii. **Source(s) provenance**

Found on the road that leads to Çandarlı (ancient Pitane), not far away from Gryneion.

X. ACTIVITIES

iv. **Honours/Other activities**

The *hieronikai* put up a posthumous honorary monument for Gnaeus Tetreinius Aulos [...]osklos. The deceased is called *heros epiphanes*.

XIII. EVALUATION

i. **Private association**

Possible

Note

In the absence of the full name of the association as it came to be known from the time of Marc Antony on and due to the private nature of the monument (posthumous honorary inscription), the *hieronikai* putting up a monument for a deceased fellow-victor may have simply comprised victors in sacred contests. The text reveals nothing about their organization.
