| <b>i. Comments</b> | An international synod? The connection of this text with a group of artists, athletes, or sacred victors (of which there are many references) depends on the use of the term στεφανειτων, (l. στεφανιτων) <i>stephaniton</i> in line 6: if the restoration of the term is correct, it is likely that the group mentioned here is the same as <a href="#">CAPInv. 1912</a> |
