i.c.	Physical format(s)	Two rock-cut <i>naiskoi</i> with the inscription across the bottoms.
		1

X. ACTIVITIES

i.	Private association	Probable
	Note	The single surviving attestation of the group does not provide any precise detail about its internal functioning, activities or members. Its evaluation as a private association cannot therefore be confirmed with certainty on the basis of the available evidence. However, its connection with the cult of Men increases this probability.
