<b>Deities worshipped</b>	Souchos
<b>iv. Honours/Other activities</b>	The ex-ephebes showed their devotion to the Royal House by dedicating the <i>topos</i> on behalf of the King (ll. 1-3).

## XIII. EVALUATION

<b>i. Private association</b>	Certain
<b>Note</b>	Given the presence of a president ( <i>prostaton</i> , l. 7) and the fact that the ex-ephebes still formed a well defined and organised group 12 years after their ephebate (and they owned property), there is no doubt about this being a private association.
