IX. MEMBERSHIP

ii. Gender	Men
Note	The attested members were men.
iii. Age	Adults

X. ACTIVITIES

iii. Worship	The passage is fragmentary, but the *koinon* (?) of the *eranistai* perhaps worshiped a deity, who has been tentatively restored as θ[εᾶς Ἀφροδεῖ]τας *th[eas Aphrodei]tas.*
Deities worshipped	Aphrodite (?)

XII. NOTES

i. Comments	θ[εᾶς Ἀφροδεῖ]τας is integrated on *apparatus* by D. Summa; according to the authors the thickness of the block suggests that it was even used as wall block in the *hiera oikia* of the Association.
iii. Bibliography	Antonetti C., Funke P. (eds.), Baldassarra D., Cavalli E., Crema F., Freitag K., Haake M., Knäppe K., Scharff S. (co-eds.)
