X. ACTIVITIES

- | | |
|------------------------------|---|
| iv. Honours/Other activities | Honorific inscription for Sextus Peducaeus, Roman governor (<i>propraetor</i>) of Sicily 76/5 BC, set up $\epsilon\upsilon\nu\omicron\iota\alpha\varsigma \ \xi\eta\nu\epsilon\kappa\alpha$ (<i>eunoias heneka</i> , l. 5), for which see Calascibetta and Di Leonardo 2012. |
|------------------------------|---|

XI. INTERACTION

- | | |
|------------------------|---|
| ii. Interaction abroad | Honorific inscription for Sextus Peducaeus, Roman governor (<i>propraetor</i>) of Sicily 76/5 BC, set up $\epsilon\upsilon\nu\omicron\iota\alpha\varsigma \ \xi\eta\nu\epsilon\kappa\alpha$ (<i>eunoias heneka</i> , l. 5), for which see Calascibetta and Di Leonardo 2012. |
|------------------------|---|

XII. NOTES

- | | |
|-------------------|--|
| iii. Bibliography | Calascibetta, A.M.G., and Di Leonardo, L. (2012), 'Un nuovo documento epigrafico da Solunto', in C. Ampolo (ed.), <i>Sicilia occidentale. Studi, rassegne, ricerche</i> , Pisa: 37-47. |
|-------------------|--|

XIII. EVALUATION

- | | |
|------------------------|--|
| i. Private association | Possible |
| Note | The right hand side of the inscription recording this <i>koinon</i> is missing, and consequently the part of the inscription which identified the <i>koinon</i> is lost. No identification or classification of the <i>koinon</i> is therefore possible. |
