VII. ORGANIZATION

iii. Members

θ[ια]σείται, thiaseitai (line 8)

IX. MEMBERSHIPi. NumberThe inscription preserves a list of 11 names, who together constitute the *thiasos*. If Masa, the (deceased?)
honorand called *thiaseites*, is included in their ranks, the total would be 12.ii. GenderMenNoteAll members appear to be male.iv. StatusAll members (except Masa the honorand) are listed with their father's name, probably indicating that
they are citizens of Tlos.v. RelationsNone of the members appear to be relatives.

X. ACTIVITIES

iv. Honours/Other activities Masa, a fellow *thiaseites*, is honoured for his affection or kindness (*philostorgia*).

XIII. EVALUATION

i. Private association	Probable
Note	Though the context and purpose of the group remain wholly unclear, it appears to be both circumscribed and organised, enacting honours one of its (former?) members. It thus forms a probable candidate for a private association.
