VIII. PROPERTY AND POSSESSIONS

i. Treasury/Funds	In the obligations of the lessee it is stated that if he is to leave the land unattended day and night, he would have to pay to the <i>koinon</i> two obols per day of absence: ἀποτεισά[τω εἰς τὸ κοιν[ὸν ἐκά]στης ἡμέρας ὀβολοὺς δύο, <i>apoteisato eis to koinon hekastes hemeras obolous dyo</i> (ll. 20-21). If the term <i>koinon</i> refers to a private association, the group had a treasury.
iii. Income	Income to the <i>koinon</i> could include payment of penalties for absenteeism from the land leased to some individuals.

XIII. EVALUATION

i. Private association	Possible
Note	It is doubtful whether the <i>koinon</i> to which the lessees of the land are to pay some penalties in case of absenteeism (ll. 20-21) is a private association (of the tenants or farmers of the area?) or the public treasury of the nome or some other communal fund.
