## XIII. EVALUATION

i. Private association	Probable
Note	Nothing is known about this association beyond the mere name. In Teos, associations were more closely linked to the "société civique" than in most other cities (Suys 2005: 207; Boulay 2013). Cooperation with civic institutions was normal, as is the case in this inscription. The association may nevertheless have been essentially private (cf. the <i>thiasos</i> of Anaxipolis).
ii. Historical authenticity	Certain
