i. Comments	For associations of <i>enatistai kai dekatistai</i> see also <u>CAP Inv. 219</u> . <u>CAP Inv. 535</u> .
	Associations of <i>enatistai</i> and <i>dekadistai</i> are attested in Sarapieion B in Delos (<u>CAP Inv. 219</u>) and in Prusa ad Olympum respectively (<u>CAP Inv. 535</u>). The Koan inscriptions highlights, like the Delian and Bithynian material, the strong connection of these cultic groups to the worship of 'Egyptian' deities.
