ii. Source(s) provenance	ancient Kephalos, by the church of Aghios Georgios in the bay of Kamares; necropolis of Isthmos.

XII. NOTES

i. Comments

The association honoured the deceased here in the dative after his death.

XIII. EVALUATION

i. Private association

Probable

Note

The cultic element in the name (*thiasitai*) and the personal element (*[syn] Menandroi Thrasymachou*) would point towards a private association, whose durability however escapes us.
