XII. NOTES

i. Comments	Only the possible name and title of the leader of the alleged association is attested: at all events, he acted	
	in his private capacity when setting up the inscription (1. 2: ἐκ τῶν ἰδίων, ek ton idion). The techne	
	implied in his title of technarches may refer to broader disciplines than simple sculpture.	

XIII. EVALUATION

i. Private association	Possible
Note	Given the lack of information, on the basis of the sole title of <i>technarches</i> one can only suppose the existence of a possible private association headed by the man.
