## X. ACTIVITIES

Deities worshipped	<i>Zeus Mossyneus</i>
iv. Honours/Other activities	The priest of an unknown group had dedicated a statue, an altar and the substruction of the altar to <i>Zeus Mossyneus</i> and the <i>demos</i> (probably of Mossyna). After him, other voluntary contributors (οἱ ἐπαγγελάμενοι, <i>hoi epangelamenoι</i> , ll. 4-5) are mentioned with their names and the sums they have donated. One of them has also given an <i>oinoposion</i> (l. 9).

## XI. INTERACTION

i. Local interaction	The group evidently interacted with the <i>demos</i> , who was certainly the recipient of the <i>oinoposion</i> mentioned; the question is whether or not the group of donators was an association.

## XIII. EVALUATION

i. Private association	Possible
Note	That this was a private donation seems clear, but it is unknown whether or not this group had a permanent structure.
ii. Historical authenticity	Certain
