XII. NOTES

i. Comments

The inscription is dated to the 15th year of Hadrian's principate.

Bennos is a term denoting a religious association. If the term *bennaches ek progonon* in our inscription corresponds to a leader of such an association, the latter was devoted to the cult of the fertility god Zeus Bennios (see Şahin 1978; Drew-Bear and Naour 1991: 1956-1961 and 1987-1991; Schwabl 1999; Adak, Akyürek Şahin and Güneş 2008: 81-82). In assuming the post of *bennarches*, Okktaios apparently carried on a family tradition. The honours and the title *euergetes dia biou* attributed to him by the *demos* of Mossyneanon and *Synlantenon* indicate that he was a prominent local figure.

XIII. EVALUATION

i. Private association

Possible

Note

Bennarches may be associated with leadership of a *bennos*. However, this title alone does not necessarily prove the existence of an organized group (though the specification *ek progonon* points towards the direction of a sustained cult); it may simply refer to presidency over the cult or a festival (cf. *BE* 1970: no. 305).
