i. Private association

Discarded

Note

The reasons for considering the group as an association are the term servants (θεράποντες, *therapontes*, l. 3) and the identity of the dedicators as κομωδοὶ περιδονεῖται, l. περιδονῆται, *komodoi periodonikai*, ll. 13-5. However, none of the above is sufficient to base an argument about the existence of a group.
