VIII. PROPERTY AND POSSESSIONS

| iv. Endowments | The association is the second option chosen by a donor for coronating his grave. If the leadership of the ἐργασία τῶν λινωτῶν, <i>ergasia ton linoton</i> (l. 7) does not fulfill its obligations (distributing money to the members on a certain date), they shall give twice the amount to the φιλόπλοι, <i>philoploi</i> , so that they can carry out the coronation. |
|----------------|--|

XI. INTERACTION

- | | |
|----------------------|--|
| i. Local interaction | The association is the second option after the ἐργασία τῶν λινώτων, <i>ergasia ton linoton</i> , which may point to a certain rivalry. |
|----------------------|--|

XII. NOTES

- | | |
|-------------------|---|
| i. Comments | Φιλόπλοι, <i>Philoploi</i> , are known from other cities (cf. the evidence collected by Ritti and SEG). Ritti thinks of a "club of fans of gladiatorial games". |
| iii. Bibliography | Ritti, T. (2006), <i>An Epigraphic Guide to Hierapolis (Pamukkale)</i> . Istanbul. |

XIII. EVALUATION

- | | |
|-----------------------------|--|
| i. Private association | Probable |
| Note | Since the ἐργασία τῶν λινώτων, <i>ergasia ton linoton</i> is mentioned in a parallel position in the inscription, it is reasonable to suppose that the φιλόπλοι, <i>philoploi</i> , were an association as well. |
| ii. Historical authenticity | Certain. |
