-------------------	-----------------------------------------------------------------------------------------

XIII. EVALUATION

i. Private association	Possible
------------------------	----------

Note

It is unclear whether or not this group had a more permanent structure. Arnaoutoglou 2002: 31 (who repeats Poland's "Antikyra Sidera" and the date 58 BCE, and wrongly identifies the inscription as MAMA X 137) points to *synetheia* as a term for "association".

ii. Historical authenticity	Certain
